1. CERTIFICATION OF ORIGINALITY OF SUBMISSIONS

I hereby certify and warrant that any submissions sent from the above registered e-mail address(es) are my own original works and/or that I have the sufficient written legal right of ownership to grant permission and use of the material as set forth in this agreement. I accept full personal responsibility for any action taken to challenge the originality of my work of the legal rights by which I have included its use under the terms of this agreement.

2. GRANT OF LICENSE TO PUBLISH UNDER THE OPEN GAMING LICENSE

By signing this agreement, I am granting license for all submissions sent to the DnD Community Council and/or its representatives, agents, successors, and assigns for distribution under the Open Gaming License, specifically including the grant of the right to use, modify, reproduce, publish and distribute all portions of my submissions in any current or future DnD Community Council-sponsored publication. I understand that this gives the DnD Community Council the right to publish and distribute my submissions and that I cannot later revoke this right without the consent of the DnD Community Council. My work shall remain my own, and I shall the retain copyright rights thereof; this license does not transfer copyright rights but rather grants the DnD Community Council the right to publish my own copyrighted works.

3. STATEMENT OF UNDERSTANDING OF THE OPEN GAMING LICENSE

I have read and understand the Open Gaming License as prepared by Wizards of the Coast, and I hereby grant the DnD Community Council the right to publish my work under the terms of this license. I understand that those portions of my work submitted as Open Gaming Content under the terms of the Open Gaming License have effectively been licensed by me for use by anyone who publishes material using the Open Gaming License, and I have thereby waived all present and future legal claims to the exclusivity of these portions of my submissions.

4. DESIGNATION OF OPEN GAMING CONTENT

All submissions shall be designated 100% Open Gaming Content unless otherwise agreed upon by myself and a "Team Leader" representative of the DnD Community Council, in which case my submissions shall contain a minimum of 5% Open Gaming Content. If a submission is not 100% Open Gaming Content, a clear method of delineating those portions of the submission that are Open Gaming Content shall be used. Furthermore, all portions of my submission not designated as Open Gaming Content remain licensed for use, modification, reproduction, publication, and distribution by the DnD Community Council as it sees fit.

5. ACKNOWLEDGEMENT OF RECEIPT AND UNDERSTANDING OF "STATEMENT OF UNDERSTANDING" DOCUMENT

I have read the DnD Community Council's "Statement of Understanding" document and acknowledge all provisions of the statement as presented to me. I recognize that the DnD Community Council is a product fan-club for role players and agree not to hold it, its members, or its agents liable for any legal or financial action regarding any submission I provide. I further add my signature within this document as a "Certified Statement of Release" from all said liability. I have not now, nor shall I ever request monetary compensation from the DnD Community Council or its agents for use of the materials submitted.

6. DURATION AND TERRITORY

This agreement remains in effect in perpetuity and may not be amended except in a written document signed by both myself and a duly appointed agent of the DnD Community Council. If a court should find any provision of this agreement invalid or unenforceable, the remainder of this agreement shall be interpreted so as best to effect the original intent of the parties. The rights of this agreement shall be applicable worldwide. This agreement expresses the complete understanding of the parties with respect to the subject matter and supersedes all prior representations and understandings.
